Price list  
(Maintenance)

## Overview

About the “Price list”

Below 2 functions are available.

- ✓ Estimate about selected product.
- ✓ Output of the estimate result.

## Estimate flow

(1) Price list (input price, etc.)

(2) Product design

(3) Output the estimate

The image shows a screenshot of the Design Simulator software interface. The main window has a menu bar with 'File', 'Preference', 'Tool', 'Help', 'Update', 'Download DXF', and 'Mode setting'. Below the menu bar are 'New' and 'Open' buttons. The main area is divided into sections: 'Project Name' with a text input, 'Model Selection' with icons for 'VRF system' and 'Previous mo...', and 'Price quote' with icons for 'Price list' and 'Quotation'. A red circle highlights the 'Price list' icon, with a line pointing to the 'Unit price' window. A yellow box with the text 'Select "Quotation"' and a blue arrow points to the 'Quotation screen' window. The 'Unit price' window has a menu bar with 'File', 'Settings', 'Create price data menu', and 'Help'. It contains a section for 'Select the personal price list or distribution price list' with radio buttons for 'Personal data' (selected) and 'pricelist-VRF'. There is a 'Currency' field and a 'Menu' button. Below this is a section for 'FGL User option' with a 'Reset' button. A table with columns 'Series', 'Unit', and 'Type' is visible, with a 'Discount rate' button to its right. The 'Series' column has checkboxes for 'V2', 'J', 'FM', 'ML', 'SN', and '(Others)'. At the bottom of the window is a checkbox for 'Include discontinued units'.

The image shows the Design Simulator software interface. The main window has a menu bar with 'File', 'Preference', 'Tool', 'Help', 'Update', 'Download DXF', and 'Mode setting'. Below the menu bar are 'New' and 'Open' buttons. The main area is divided into sections: 'Project Name', 'Model Selection' (with 'VRF system' and 'Previous mo' options), and 'Price quote' (with 'Price list' and 'Quotation' options). The 'Price list' icon is circled in red. A yellow box labeled '“Fiyatlandırma” seç' points to the 'Price list' icon. A blue arrow points from this box to a yellow box labeled 'Fiyatlandırma Ekranı', which points to the 'Unit price' window. The 'Unit price' window has a menu bar with 'File', 'Settings', 'Create price data menu', and 'Help'. It contains a section for 'Select the personal price list or distribution price list' with radio buttons for 'Personal data' (selected) and 'pricelist-VRF'. There is a 'Currency' field and a 'Menu' button. Below this is a 'FGL User option' section with a 'Reset' button. The main area of the 'Unit price' window is a table with columns: 'Series', 'Unit', and 'Type'. The 'Series' column has a list of options: V2 (checked), J, FM, ML, SN, and (Others). Below the table is a 'Discount rate' button. At the bottom of the 'Unit price' window is a checkbox for 'Include discontinued units'.

## Teslimat ve Ödeme ayarı

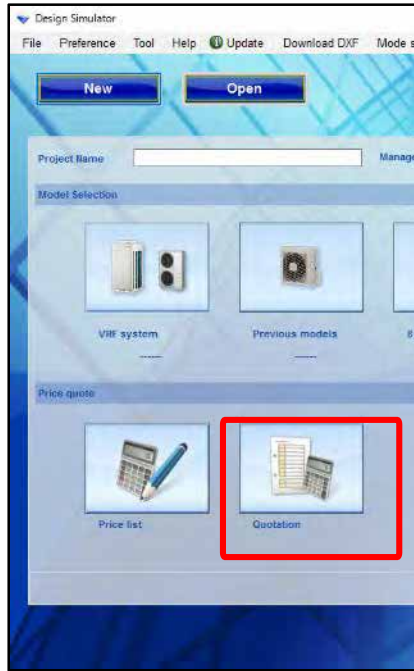

The 'Terms and conditions' dialog box is shown. It has a title bar 'Terms and conditions' and a yellow callout box pointing to it with the text: 'Şartlar ve koşullar ekran'. The dialog is divided into two main sections: 'Items' and 'Remarks'. The 'Items' section contains several input fields: 'Delivery location' (with '(request)' entered), 'Delivery date' (with '1 month' entered), 'Payment term' (with 'September/30/2017' entered), and 'Expiry date of quotation' (with 'August/31/2017' entered). A red box highlights these four fields, with a yellow callout box pointing to it containing the text: 'Teslim süresi, ödeme limiti tarihi, Tahmin sona erme veri, vb'. Below the 'Items' section is the 'Quote output form' section, which has two radio buttons: 'Individual refrigerant system' (selected) and 'Entire refrigerant systems'. A red box highlights these two options, with a yellow callout box pointing to it containing the text: 'Dış mekan ayar adı kullanma'. The 'Remarks' section is a large text area on the right. At the bottom of the dialog, there is an 'Outdoor unit' section with a checkbox 'Not to use outdoor set name' (unchecked) and a red box around it. At the very bottom of the dialog are 'OK' and 'Cancel' buttons.

The image shows the Design Simulator software interface. The main window has a menu bar with 'File', 'Preference', 'Tool', 'Help', 'Update', 'Download DXF', and 'Mode setting'. Below the menu bar are 'New' and 'Open' buttons. The main area is divided into sections: 'Project Name' with a text input, 'Model Selection' with icons for 'VRF system' and 'Previous mo...', and 'Price quote' with icons for 'Price list' (circled in red) and 'Quotation'. A yellow callout box with a blue arrow points to the 'Price list' icon, containing the text 'Izaberi "Proračun"'. Another yellow callout box points to the 'Unit price' window, containing the text 'Ekran proračuna'. The 'Unit price' window has a menu bar with 'File', 'Settings', 'Create price data menu', and 'Help'. It contains a section for 'Select the personal price list or distribution price list' with radio buttons for 'Personal data' (selected) and 'pricelist-VRF'. There is a 'Currency' field and a 'Menu' button. Below this is a section for 'FGL User option' with a 'Reset' button. A table with columns 'Series', 'Unit', and 'Type' is visible, with a 'Discount rate' button to its right. The table has a header row with columns: 'Series', 'Model', 'Type', 'Remarks 1', 'Remarks 2', 'Description', 'Unit price', 'Discount rate (%)', 'Discount amount', and 'Price'. At the bottom of the window is a checkbox for 'Include discontinued units'.

Stavke koje nisu zaključane, mogu se koristiti.

The screenshot shows the 'Unit price' application window. At the top, there is a menu bar with 'File', 'Settings', 'Create price data menu', and 'Help'. The 'District' is set to 'Europe'. Below the menu bar, there are fields for 'Currency' and a 'Menu' button. A 'User option' section contains a 'Series' list with checkboxes for V2, J, FM, ML, SN, and (Others). A yellow callout box with the text '\*Stavke koje su zaključane, ne mogu se koristiti' points to the 'V2' checkbox. Below this, another yellow callout box says 'Unesite svaku stavku podataka'. The main part of the interface is a table with columns: Series, Model, Type, Remarks 1, Remarks 2, Description, Unit price, Discount rate (%), Discount amount, and Price. The table contains 18 rows of data for various outdoor units. A red box highlights the entire table area. At the bottom left, there is a checkbox labeled 'Include discontinued units'.

The image shows the Design Simulator software interface. The main window has a menu bar with 'File', 'Preference', 'Tool', 'Help', 'Update', 'Download DXF', and 'Mode setting'. Below the menu bar are 'New' and 'Open' buttons. The main area is divided into sections: 'Project Name' with a text input, 'Model Selection' with icons for 'VRF system' and 'Previous mo...', and 'Price quote' with icons for 'Price list' (circled in red) and 'Quotation'. A yellow callout box with a blue arrow points to the 'Price list' icon, containing the text 'Изберете "Оферта"'. Another yellow callout box is positioned above the 'Unit price' window, containing the text 'Екран Оферта'. The 'Unit price' window has a menu bar with 'File', 'Settings', 'Create price data menu', and 'Help'. It contains a section for 'Select the personal price list or distribution price list' with radio buttons for 'Personal data' (selected) and 'pricelist-VRF'. There is a 'Currency' field and a 'Menu' button. Below this is a 'FGL User option' section with a 'Reset' button. A table with columns 'Series', 'Unit', and 'Type' is visible, with a 'Discount rate' button to its right. The 'Series' column has checkboxes for 'V2', 'J', 'FM', 'ML', 'SN', and '(Others)'. At the bottom of the 'Unit price' window is a checkbox for 'Include discontinued units'.

## Екран спрени модели

The screenshot shows the 'Unit price' application window. The title bar includes 'Unit price' and standard window controls. The menu bar contains 'File', 'Settings', 'Create price data menu', and 'Help'. The 'District' is set to 'Europe'. There is a 'Currency' input field and a 'Menu' button. Below these are 'FGL' and 'User option' tabs. A 'Series' list on the left includes V2, J, FM, ML, and SM. Two large empty boxes labeled 'Unit' and 'Type' are present, along with 'Reset' and 'Discount rate' buttons. A table displays a list of models with columns for Series, Model, Type, Description, Unit price, and Price. A yellow callout box highlights the table content. At the bottom, a checkbox for 'Include discontinued units' is checked and highlighted with a red box.

## Потребителски опции

The screenshot shows the 'Unit price' application window. At the top, there is a menu bar with 'File', 'Settings', 'Create price data menu', and 'Help'. The window title is 'Unit price' and the current district is 'Europe'. A green 'Menu' button is located in the top right corner. Below the menu bar, there is a section for 'FGL' with a 'User option' field highlighted by a red box. A yellow callout box points to this field with the text: "Може да се зададе цената на елемента чрез 'Потребителски опции'". Below this, there are three columns: 'Company' with a list of checkboxes (Our company (Project), Our company (Refrigerant), Other company (Project), Other company (Refrigerant)), 'Inside classification', and 'Small classification'. A 'Reset' button is located to the right of these columns. Below the classification columns is a 'Discount rate' button. At the bottom of the interface is a table with the following columns: Series, Model, Type, Remarks 1, Remarks 2, Description, Unit price, Discount rate (%), Discount amount, and Price. The table is currently empty. At the very bottom, there is a checkbox labeled 'Include discontinued units'.

The image shows a software interface for creating a price list. On the left, a dialog box titled 'Number of create data' is open, with three radio button options: 'Personal data', 'Personal data and distribution data (max.6)', and 'Just use the distribution data'. The third option is selected and highlighted with a red box. An 'OK' button is visible at the bottom of the dialog. The main window, titled 'Unit price', displays a table of data. The table has columns for Series, Model, Type, Remarks 1, Remarks 2, Description, Unit price, Discount rate (%), Discount amount, and Price. The first row is highlighted in blue. A 'Discount rate' button is located in the top right of the main window. The interface is green-themed.

Some items which is not locked can be edited on the this screen.

The screenshot shows the 'Unit price' software interface. At the top, there is a menu bar with 'File', 'Settings', 'Create price data menu', and 'Help'. The 'District' is set to 'Europe'. Below the menu bar, there are fields for 'Currency' and a 'Menu' button. A 'User option' section contains a 'Series' list with checkboxes for V2, J, FM, ML, SN, and (Others). A yellow box with the text '\*鎖定的項目無法編輯' (Locked items cannot be edited) points to the 'Series' list. Below this, a large greyed-out area is annotated with a yellow box containing the text '輸入並編輯每項數據' (Input and edit each item's data). A 'Reset' button is visible in this area. The main part of the screen is a table with the following columns: Series, Model, Type, Remarks 1, Remarks 2, Description, Unit price, Discount rate (%), Discount amount, and Price. The table contains 18 rows of data for various models under the V2 series. A red box highlights the entire table area. At the bottom, there is a checkbox labeled 'Include discontinued units'.
